**Comments:** Jumped to this web site by a link from cowboypal.com. I was very pleased to see the link there. Audie Murphy was a hero of mine. I would like to know where I can get his movie The Quiet American. Although I enjoyed all his cowboy movies, I can still remember a little of this one. It must have made a big impression on me when I was young. I also need to get a new bumper sticker. My sister sent me one. Unfortunately, I sold the car and, no matter how hard I tried, I could not get that sticker off.

**Comments:** I am so glad to see that Audie Murphy's heroism and life are honored in this website. There are no hero's today, and there hasn't been any for many years, so we must preserve those like Audie Murphy, people who never set out with any idea of ever becoming hero's, but who rose to the occasion when they were called upon to do the extraordinary. As for having an Audie Murphy stamp, I could not agree more. Why has this never happened? I am still trying to figure out how Malcom X is being honored with a stamp, and Elvis Prestley has been previously honored, but a war hero, if ever considered, was passed over, and I think this should be reversed. I also, think there should be a "Medal Of Honor" website to honor ALL recipients of the MOH from the very beginning, and the honoring the very first MOH hero.

Moses told me he was in the same squad and I believe he said Fox Company. Thank you.

I appreciated noting that his marker mentioned simply MOH and that it was a simple, ordinary marker, just like the other markers nearby of the other GIs...not some huge piece of granite such as what covers many of the Generals etc...as I approached, there was an older gent placing flowers...he was praying. I wondered if he had been a wartime friend as he silently left...

Audie was a teenager throughout the war, basically the same age I was, when I first read "To Hell and Back". I could not imagine going through what he did. He should always be held up as an example of courage to all teenagers.

Though I am 32 I was exposed to Audie Murphy movies through my parents and learned about his incredible military career only after years of thinking he was just a movie star. I have been unable to find any good biographies on him, let me know if you can help with this.

I never forgot the movie or the man. Now, after two tours of duty in Vietnam in the late 60's, I understand how he felt. He was an great inspiration for my generation, & should be for future ones as long as our glorious flag flies.

IF THERE IS ANYTHING THAT I CAN DO TO MAKE HIS ROOM BE FILLED WITH MORE HONOR AND HOPE THEN GIVE ME A HINT. I FEEL THAT HE IS FORGOTEN ACROSS THE LAND .

Major Murphy exemplifies the true American fighting spirit that an ordinary man in extraordinary circumstances will act in extraordinary fashion. Also, as a baby-boomer era adult, not all have forgotten the efforts and heroics of Major Murphy and men like him. Thank you for this web page and Airborne all the Way!

I was told that Mr. Murphy had left his wife with all their children and married my aunt. Could this be true? I know her tombstone reads Ollie G. Cabeen Murphy and she is buried in Fairview Cemetery, Whitehall, Grimes Co., Tx.
